

High-level Breakfast on Decent Work and Fair Labour Migration

6 December 2017
7:30 to 9:00 am

at the Westin Hotel, CUEVAS Conference Room 1st Floor
(Av. Paseo de la Marina Sur 205, Marina Vallarta, Puerto Vallarta, Mexico)

The Global Compact on Migration offers the international community the opportunity to improve workplace productivity and deliver decent work outcomes for migrant and national workers, as well as to shift current misperceptions of migration, by improving migration policies to effectively include all labour market aspects. Laws, policies and institutions, in the country and across borders, matter greatly in achieving this goal. This breakfast meeting will showcase good practices, guidelines and tools for achieving fair and effective labour migration outcomes for all stakeholders.
