

## **First informal interactive multi-stakeholder hearing**

### **Preparatory process for the global compact for safe, orderly and regular migration and the intergovernmental conference on international migration**

**26 July 2017**

**Trusteeship Council Chamber, UNHQ New York**

#### **Background**

In accordance with paragraph 30 of the General Assembly resolution A/RES/71/280, the President of the General Assembly is organizing a series of informal interactive multi-stakeholder hearings as part of the preparatory process for the intergovernmental conference on international migration to adopt the global compact for safe, orderly and regular migration.

The first informal interactive multi-stakeholder hearing will be organized at the United Nations in New York on 26 July 2017.

All information related to the preparatory process of the global compact for safe, orderly and regular migration and the intergovernmental conference on international migration is made available online at <http://refugeesmigrants.un.org/migration-compact>

#### **Objectives and expected outcomes**

The President of the General Assembly will issue a summary of the hearing. This summary will be made available as an input for the intergovernmental negotiations on the global migration compact.

The first hearing will focus on the issues addressed in the first four informal thematic sessions, held by the General Assembly between May and July 2017.

The Secretary-General's issue briefs prepared for these four thematic sessions provide insight, food for thought and recommendations on the topics to be discussed during the hearing. In addition, participants are encouraged to consult the summaries of the four informal thematic sessions prepared by the co-facilitators, who are leading the intergovernmental consultations and negotiations, in particular the areas they identified as needing further discussion.

Issue briefs and summaries of thematic sessions are available online at <http://refugeesmigrants.un.org/thematic-sessions>.

#### **Participation**

The hearing is intended for representatives of non-governmental organizations, civil society organizations, academic institutions, diaspora groups, migrant organizations and the private sector, which are in consultative status with the Economic and Social Council or have received a special accreditation to participate in the preparatory process.

In addition, the hearing is intended for representatives of parliaments and national human rights institutions compliant with the Paris Principles.

Member States are invited and encouraged to participate in the hearing.

## **Structure of the hearing**

The informal interactive multi-stakeholder hearing will consist of an opening and a closing segment and four interactive panel discussions. The themes of the panel discussions are consistent with the four informal thematic sessions held by the General Assembly between May and July 2017.

A detailed programme of the hearing is enclosed.

Each panel discussion will feature short introductory remarks from the moderator, followed by remarks of each of the panelists and an interactive exchange with interventions from the floor. Each panel will be guided by a set of suggested topics for discussion, as contained in the enclosed detailed programme.

The selection of panelists and moderators takes into account regional and gender considerations, with a diversity of expertise and ages.

Panelists, moderators as well as speakers from the floor are encouraged to focus their statements on concrete recommendations for the global compact for safe, orderly and regular migration.

Interventions from the floor will be strictly limited to three minutes.

There will be no formal list of speakers for the hearing.

Stakeholder representatives interested in making a statement are invited to express their interest immediately prior to the beginning of the meeting or by requesting the floor from their seat.

Member States interested in making an interactive intervention in the hearing are encouraged to contact Ms. Elina Lemmetty-Hartoneva at the Office of the President of the General Assembly (lemmetty@un.org).

## **Logistical arrangements**

Stakeholders wishing to participate must have applied to attend this session by 20 June. Those approved who do not possess a UN Grounds Pass will receive a special event ticket. Instructions for picking up these tickets will be emailed to applicants approved for attendance.

Approved participants must present a national identification card or passport to receive their special event ticket and to access the UN Headquarters.

Entry into the UN Trusteeship Council Chamber for stakeholders will be provided through the 3rd floor.

This special event ticket will also allow access to the fourth thematic session, which will be organized on 24-25 July 2017.

Requests for side events should be shared with the Secretary-General for the intergovernmental conference (gcmigration@un.org). There is a limited availability of rooms. Information on side events will be made available on the website.

## First informal interactive multi-stakeholder hearing

### Preparatory process for the global compact for safe, orderly and regular migration and the intergovernmental conference on international migration

26 July 2017

Trusteeship Council Chamber, UNHQ New York
